

wonderful moments

Chris Fraser

Thursday 5 March – Sunday 3 May 2020

Special moments and memories. Whether it be enjoying flowers in the garden or swimming in the ocean. These varied works are largely a celebration of nature – its beauty and intrigue. Whilst I am always playing with rhythm, pattern and colour my quirky girls are often pensive, in awe of nature, or caught up in their own world. Some even fly the art flag, promoting its benefits. Others suggest hope for the future. Their body language is all important in my exploration of the recurring themes of joy, love and hope.
